

### **The Initial 1-month trial package to keep £49.00**

The package we can offer will include:

#### **1. Creation of Social Pages**

If you have certain pages that we all think could serve you well, we would be happy to create those for you, as long as you supply all the relevant images and information that we need. If you do not have the correct images and sizes, we will be happy to quote you for these to be made.

#### **2. Page Information Improvement**

Once we have access to your social channels, we will make sure that the available information is a true representation of how you wish your image to be perceived. This would include making use of all the functions available to that channel, including showing opening hours, activating the review mechanism, etc.

#### **3. Management of All Social Channels**

We will manage all the social media channels you own, and we will update regularly. We will post on all available social channels. We can post once a day (excluding weekends and bank holidays). The things we post will be relevant to your business and useful to your audience. The posts would typically be photos of your work to show before and after building, it could also include relevant news, topics or information from your industry. Hashtags will be included where possible.

**We can design, host websites and email systems value for money rates, please ask for more information.**
